Nami, Starlit Courier — Character Notes

Deterministic text dossier. These notes are the source of readable character description, not generated image text.

Character description

Nami is an adult aerial courier who delivers sealed letters between rooftop observatories in a coastal city. She is nimble, optimistic, and alert, with quick messenger body language and a practical sense of style. Her design blends urban delivery gear with soft celestial navigation motifs: crescent clasps, star-map lining, wind ribbons, and a compact telescope case.

Key visual elements

- Adult woman with an athletic, light-footed silhouette and bright messenger energy.
- Short midnight-blue hair with a wind-swept bob and one pale silver streak.
- Clear gray-blue eyes, lively focused expression, small confident smile.
- Cropped ivory flight jacket over slate-blue tunic, high-waisted dark shorts over leggings, practical ankle boots.
- Crescent clasp, small satchel, sealed letter bundle, compact brass telescope case, wind-ribbon scarf.

Pose and expression notes

- Main pose should feel ready to leap across rooftops, but not extreme action.
- Expressions: alert neutral, bright grin, focused squint, surprised laugh.
- Body language is quick, helpful, and trustworthy.

Outfit and accessories

- Jacket is practical, slightly oversized, with clean seams and rolled cuffs.
- Satchel and letter bundle are required identity props.
- Telescope case and crescent clasp are signature accessories.
- Wind-ribbon scarf can trail slightly but should not look like wings.

Palette and materials

- Palette: ivory, slate blue, midnight navy, brass gold, pale silver, soft sky-cyan accent.
- Materials: canvas jacket, leather satchel/boots, brass hardware, soft fabric scarf.

Consistency rules / forbidden drift

- No animal ears, no halo, no wings, no school uniform, no heavy armor, no readable text.
- Do not turn the courier theme into a magical girl outfit.
- Keep the design practical and messenger-like across all panels.
